

RAJ METALS
LIMITED

COMPANY PROFILE

◆ Introduction

Raj Metals Limited is a Kenyan manufacturing company established in 1981. With well over 30 years in operation, we have been serving individual / retail, commercial and industrial clients in the East African market.

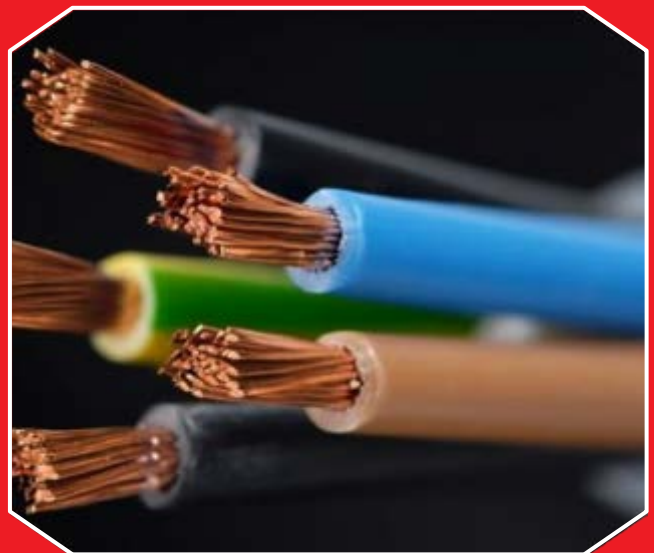

◇ Vision

To be the leading electrical and mechanical fabrication company in Africa.

◇ Mission

To provide top quality engineering products and services that ensure best in class safety, functionality and performance to our clients.

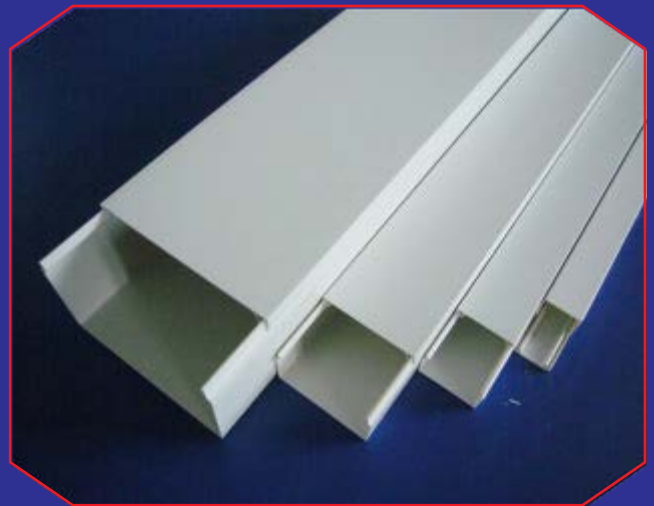

◇ About Raj Metals

Raj Metals Limited is a Kenyan manufacturing company establishment in 1981. With well over 30 Years in operation, we have been serving individual / retail, commercial and industrial clients in the East African market.

Our multi skilled, dynamic and dedicated workforce of well over 100 team members, together with our modern machinery combine perfectly to deliver superior metal products, compliant with the highest local and international standards. We manufacture and stock a wide range of items that include metal trunking, network cabinets, street light poles, high mast lighting poles and accessories, BTS equipment, switch board panels, electrical accessories, amongst others.

We have worked with the following key clients:

1. Safaricom Limited.
2. Orange Kenya.
3. Airtel Kenya Limited.
4. Camusat.
5. Alcatel-Lucent.
6. Tetra Pak.
7. Alan Dick Corporation.
8. Ryce Motors East Africa.
9. New Baron & Leveque International.
10. World Food Programme and
11. Kenya Pipeline Company just to mention but a few.

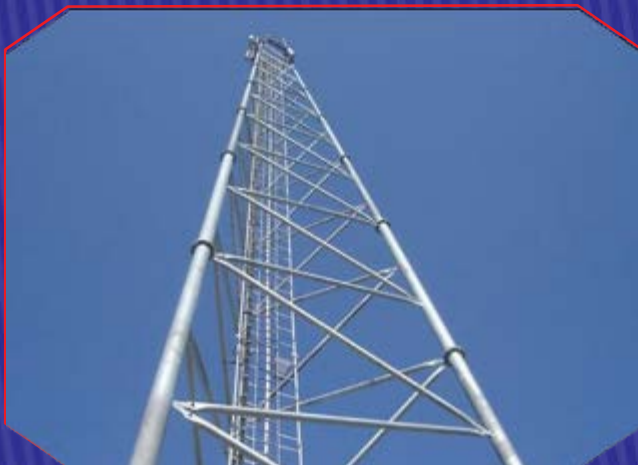

◇ Manufacturing

We manufacture electrical accessories which are a wide range of items that include metal trunking, network cabinets, street light poles, switch board panels amongst others. Ducting and ventilation systems are yet other products we manufacture. Over and above the fabrication of electrical products and accessories, we also produce various other items including energy saving stoves, generator shelters, telecommunications equipment accessories ("Safaricom Specification") etc.

◇ Supply and Distribution of Third Party Electrical Products

We supply various electrical products on behalf of our partner organizations. The main product under this category is electrical cable for which we are an agent for all the major manufacturers in the country.
